

07.04.18, They have burnt more than 8 villages in mbonge road the people left are in the bushes

Burnt all of dipenda in Konye Sub division the people left n are in the bushes

Burnt part of new quarter dikome near Konye

Babensi 1&2 Alex's village all the people are in the bushes

From kumba to Nguti all the villages are empty, people are in the bushes

Because of killing and burning of some people in their houses

They have burnt and killed unarmed people in thousands some are missing

From kumba to Nguti only my village and a few others are saved

Babensi people are staying in my village about 25people were staying in my house plus Alex

The BIR went are burnt part of mongo ndoi on Monday 2 of April, I not give all the event, this are some of the once happening around my area
Thousands are homeless, thousands have death, thousands are without food

I can not send video because I can be trapped
