

**Selected Pictures of Some of the Happenings Particularly Along the Roads Leading to Kumba**

A Mutilated National Identity Card

A Mystical Road Block Mounted by the Ambazonian Forces

A Truck Transporting Drinks to Kumba, Burnt

Car Wreckage used to mount Road Block

Building Blocks used to mount Road Block

Other Material used to mount Road Block

Road Block mounted by the Ambazonian Defense Forces

**NB:** We carefully left out awful sights for obvious reasons and because of the value we attached to the sacredness of human life. The media and especially the social media has some of those awful scenes which we have intentionally avoid to display here.
