PCC Pastors Pray:

1. Almighty God and Father, you are King above all the earth. We thank you for giving us life through your Son Jesus Christ. He conquered fear and death, that we might be bold and confident. We pray Lord, by your grace keep your people from being infected with the novel Corona virus (COVID -19) that is ravaging lives in the entire world, and by your power heal those who are infected. Lord, we lift our eyes to you for help and run to your name for safety. Take away from us the spirit of fear and anxiety and constantly remind us of your unfailing love and everlasting covenant, through the same Jesus Christ, your son our Lord, who is worshipped and glorified together with you, O Father, in the unity of the Holy Spirit, one God for ever and ever.

2. Dear God and father, we acknowledge you as our Lord and King. We know that heaven and earth belong to you. We come before you at a time like this, when the world is trembling with fear of this deadly corona virus (COVID - 19). Father do not allow your children to be wasted by this virus. Jesus took our infirmities and our sicknesses upon himself to the cross. Lord on the cross he said, “it is finished”, arise and spread your wings over us with your healing mercies. By the power of your might, let relieve and peace return through Christ our Lord we pray. Amen

3. Heavenly Father, King of glory, we thank you for creating us in your own image and likeness. we pray for your people being afflicted in times like these, where fear has taken precedence of our lives because of the COVID-19. Mercifully look upon your children who are suffering and dying. Guide, protect and keep your people safe, especially those who work in public places. Grant wisdom to those who work in health sectors to come out with a possible solution to this deadly virus. May your name be magnified throughout the universe because your Son Jesus Christ is the greatest physician. Help us to

keep trusting in your abiding love and care. We ask this through the same Jesus Christ your Son, and our resurrected Lord. Amen

4. Our Lord Jesus Christ, thank you for your endless love towards us. Thank you because you have not abandoned us at this difficult moment in our lives. Forgive us Lord and be merciful to us again. Father, we beseech you, bless and protect us, bless and protect our doctors and nurses, from this COVID - 19. By your resurrection power, subdue every force of darkness rising against your people. Give us grace to replace our fear with faith, prayer and hygiene. In Christ name we pray. Amen

5. Gracious God, Father of our Saviour Jesus Christ. We magnify your holy name. Lord, we thank you for the gift of life, for sending your Son to die for our sins. Lord of glory, we come to you with the pain and sufferings of your children round the globe as they are being swept away by the affliction of the COVID - 19 pandemic. Lord, our hearts bleed, we acknowledge that all human wisdom is foolishness in your eyes. Our help can only come from you who neither slumbers nor sleeps. Your anger last only for a while. Lord turn your mercy once more towards your suffering children. Heal all those infected by this virus, comfort and strengthen all those affected, protect all the medical staff and care givers. Eternal God, you are the rock upon which we stand, draw us closer to yourself and take away greed that we can show true love to one another. Grant our request through Jesus Christ our risen Saviour Amen.

6. Thanks be to you heavenly Father, Almighty God, for your indescribable gift in Jesus Christ who is greater than any virus. We praise you for your great strength, and for your bounteous love. We praise you that you are Conqueror, Victor, Redeemer, and Friend. You are our Deliverer, Worthy One, Everlasting Father, Great and Awesome God. To you O Lord, be glory and honour, by the power of the resurrection. Through Jesus Christ your Son our Lord who lives and reigns with you O Father and the Holy Spirit, one God for ever and ever.
Amen
