Military Summarily Executes a man in public

It is alleged that on December 08, 2021, the military executed a man in Ntarinkon, Bamenda around 6:50 pm. A witness told Mimi Mefo Info that the victim was pulled out of the armored car which was also stuck in traffic amongst other cars, and summarily executed in public. "I don't know who the man was or what crime he had committed," a witness said.

Same day there were sporadic shottings at hospital roundabout and at the end, two corpses were lying around hospital roundabout.

Suspected separatists burn down house of former Mamfe mayor

Suspected separatists fighters have burned down the house of former Mamfe mayor Mr Ayuk John Takunchong. It is alleged his home was set ablaze due to an audio message he made currently circulating on social media in which he accused a Separatist leader of human rights violations.

One Separatist Fighter Killed

One of the Kidnappers who have been terrorizing the people of Menteh in Mike 4 Nkwen Bamenda has been beaten to death by the people of that neighborhood. Reports say the gang of three stormed the home of a resident of that area on December 1, 2021, and took a woman away after waiting for her husband in vain at about 7:30 pm. They reportedly mounted the bike they came with and took off when an alarm was raised by a passer-by who saw how the woman was being forced on the bike.

“BIHAPH DECRIES THESE HUMAN RIGHT ABUSES”

BIHAPH condemns all these human rights abuses. BIHAPH calls on the actors involved in these atrocities to decess from extrajudicial killings, hostage taking, kidnapping and torturing of civilians.

BIHAPH invites all to a meaningful dialogue to address the underlying causes of the violence and find common grounds towards sustainable peace. Human rights are precious and all must respect the inherent rights of people.

BIHAPH is fervently calling on those responsible for the protection of human rights and all the stakeholders involved in restoring peace to bring perpetrators to book.
